Mechanism for the validation of the translation of terms and definitions in the 5 other official languages of the Union

C&P Department

- Uploads **translated terms and definitions** available for validation in a **restricted access folder**.

- Email to CCT Chairs, Vice-Chairs and vocabulary **rapporteurs** to **review the translations**.

- The number of **translated terms and definitions** for validation will be limited to **20** per CCT meeting.

Any **comments on the translated terms and definitions** to be shared with C&P and the CCT Secretariat?

The translated terms and definitions **are automatically validated** by the CCT and will be **inserted in the ITU terminology database**. These will not be addressed during the CCT meeting.

1 month before

1 month before

7 days before
Deadline for comments

The **translated term and definition** will be **included in the agenda of the CCT meeting** in question for **final validation**. Then it will be included in the ITU terminology database.
